Summer Program Registration Information

The information below is everything you need to know about registering for summer programs with Nevada City Parks & Recreation. Please read carefully and call us with any questions.

Registration Policy

- Registration for all programs is taken on a first come, first served basis.
- Participants may choose to be put on a wait list if a program or lesson is full.
- Any programs and lessons that do not meet minimum enrollment will be cancelled. If a program or lesson is cancelled by City staff, participants may transfer to another program, receive a credit toward a different Nevada City Parks & Recreation program or receive a full refund.
- All registrations require payment. No spaces will be held without payment.
- Online registration will close one week prior to the start of any program. If you wish to register for a program after the online registration has closed, you will need to come to the swimming pool during business hours to get registered.
- No registrations will be taken for swim lessons once that session has started.

Refund Policy

There are **no refunds** on program, lesson, party or rental fees unless a program or lesson is cancelled by City staff. Participants who miss program or lesson days will not be offered make-up dates.

How to Register for Programs - Registration begins May 2nd

You have 4 options for registering. **Please read this information carefully!**

1. **Register online** at www.nevadacityca.gov (go to the Parks & Recreation page) beginning May 2nd. This will require a credit or debit card and internet access. Online registration is for swim lessons, Junior Lifeguard and Summer Camps only.
2. **Come to one of the registration nights.** If you have questions or do not have internet access, this is a great option for you. Registration nights will be: May 9, 16 & 23 from 6-8pm at the Nevada City Swimming Pool. If you are interested in a Private Rental or Birthday Party, this is the time to reserve your date.
3. **Mail your registration form to City Hall (not recommended).** Any registrations received at City Hall will be processed as staff receive them and are available to do so. Swimming pool staff are not at City Hall everyday, so mail-in registration could be delayed due to this. There are no recreation staff available at City Hall to answer questions if you come in to drop off your registration.
4. **Register at the swimming pool during hours that we are open to the public.** Opening day is June 4, 2016.

Swimming Pool

Public Swim

The Nevada City Pool is a great place for all Nevada County residents to cool off during the summer. The shallow end is 2 feet deep making it easy for small children to get around with their parents. Swim Lesson Information

Goal of Nevada City Swim Lessons

The goal of our swim lessons is to teach children how to be safe in and around water, therefore safety lessons are taught each day along with swimming skills. Children who know how to swim & understand the dangers of water are less likely to become a drowning victim. Instructors strive to build on skills each day to improve the swimmers movement, breathing and strength. As students increase skills, they will be taught competition strokes and turns. Please let us know in advance if you have special requests, so we can schedule an appropriate instructor.

Swim Lesson Sessions 1 - 4 take place Monday—Thursday* for 2 weeks and each lesson is 1/2 hour. Dates and times are included in the chart on page 4.

*Due to the 4th of July, Session 2 will run Tues-Fri the first week and Mon-Thurs the second week.

Mini Session

The mini session is a training session for our new employees. This session will only run for one (1) week, Monday - Thursday and lessons will be 1/2 hour. There are limited spaces available during this session, but all classes, as described below, are available during the Mini-Session, except Private Lessons.

Fee: \$22 + 5.95% registration fee

Level A - Parent/Toddler (1-2 yrs)

Level A introduces basic skills that lay a foundation to help toddlers learn to swim. The focus is on helping the child feel comfortable in the water, explore submerging & buoyancy. **Please note:** Swim diapers are required for all children who are not potty trained. **Fee: \$55 + 5.95% registration fee**

Level B - Parent/Toddler (3-4 yrs)

Level B builds on the skills from Level A. Participants improve on these skills and learn more advanced skills, such as breath control, floating and leg and arm action. **Please note:** Swim diapers are required for all children who are not potty trained. **Fee: \$55 + 5.95% registration fee**

Guppy's & Otters (4-9 yrs)

The children registered for these classes will be assessed on the first day of lessons and placed into a class of other children who swim similar to them. The children registered for these classes will range from those who are not putting their head under the water yet (Guppy's) to those who can swim across the pool one time (Otters). **Fee: \$55 + 5.95% registration fee**

Dolphins (9+ yrs)

Swimmers in the Dolphin classes should be able to swim across the pool and return. They are able to swim well and pass our swim test to go in the deep end, but need stroke refinement or are working on endurance. **Fee: \$55 + 5.95% registration fee**

Private Lessons

Private lessons are for adults & children. The instructor will teach according to the level of the swimmer. Up to 3 people may be in one lesson time slot, as long as they are **all at the same swim level**. Private lessons are **not** appropriate for Levels A & B.

Fees: 1 person \$121 2 people \$148.50 3 people \$176
5.95% registration fee will be applied

Additional Swim Lesson Information

*Session 2

Due to the 4th of July holiday, Session 2 swim lessons will run Tues-Fri week one and Mon-Thurs week two.

How do I know if my child can pass the swim test, so that they can participate in an Dolphin class?

Our criteria for passing the swim test is that a child can swim from one side of the pool, to the other without stopping and without touching the bottom (they are allowed to quickly stand when they reach the wall as they are turning around). Their arms must come up out of the water and they must show some kind of breathing technique while swimming.

How do I know if my 9 year old is ready to progress to the Dolphin class?

The Dolphin classes will take place in the pool where the water is 4-5 feet deep. One way to be sure your child is ready is that they can stand in this area. A child who is not strong enough to swim across the pool at least 2 times, can struggle because they cannot stop and stand up to take a rest. One of the things that instructors will work on at this level is endurance.

I am concerned about the Guppy & Otter class, how do I ensure that my child will be placed with other children who are at the same swim level?

These children will be assessed and placed into groups on the first day of class. There will be enough instructors available to arrange children into a group that is appropriate for them. On occasion there is a child who is not at the same swim level as the other children registered. In this case, we will do our best to put them into a class that will work for them or work with the parents to find another time or session that will work for you.

Summer Camps

Kidscience

Participants will construct experiments and sensational projects to take home and enjoy. Instructors are well trained at providing educational, hands-on science activities. Kidscience makes learning science fun by using common materials then transforming them into amazing experiments to continue science discovery. **For more information about Kidscience Camps visit www.kidscienceadventures.com**

Ages: Grades 1-7 (fall grade level)

Location: Seaman's Lodge, Pioneer Park

Time: 9:30a - 1:00p each day

Cost: \$165 per week + 5.95% registration fee

Session 1: Science Mysteries, Tricks, and Surprises

Use your creative thinking and problem solving skills to figure out a science mystery one day, then learn amazing science tricks that will look like magic including unique optical illusions, gravity defying stunts, and a toy that will "shock" your friends. Each day you will build a project to take home and amaze your friends & family with a science twist.

Dates: July 11-15

Code: KS116

Session 2: Medieval Science

Discover the science of medieval ages. From building a safe mini crossbow, bows and arrows, catapults, and other devices used in Medieval times based on science principles. There might even be a siege on the castle.

Dates: July 18-22

Code: KS216

Session 3: Electro-Science

Find out how electricity is produced and build devices that illustrate some of the fascinating uses of this power. Build a container that stores electrical charges, make a working crane with electromagnet, scratch build a spinning motor, plus other devices that use electrical power.

Dates: July 25-29

Code: KS316

British Multi-Sports Camp

A sports camp with a difference! 3 hours each day packed with a great mix of traditional British Sports and games. Challenger's team of British coaches will provide your boys and girls, ages 5-13 years old, with a week of non-stop action, fun and competition. The camp will include:

- Tag Rugby
- Non-stop Cricket
- Rounder's
- Five-a-side Football (soccer)
- Kick Ball
- British Bull Dogs
- The 'Robin Hood Run' Obstacle Course

Location: Pioneer Park - Bandshell

Dates: June 20-24

Fee: \$139 + 5.59% registration fee

Play-Well TEKnologies (Lego Camp)

Play-Well TEKnologies provides programs designed to introduce principles and methods of engineering, architecture, and science to kids ages 5 & up utilizing kits containing tens of thousands of LEGO®.

Session 1: Pre-Engineering (ages 5-6)

Let your imagination run wild with thousands of LEGO pieces! Build engineer-designed projects such as bridges and motorized merry-go-rounds, and use special pieces to create your own unique designs! Explore the endless creative possibilities of the LEGO building system with the guidance of a Play-Well instructor.

Location: Seaman's Lodge
Dates: June 27 - July 1
Fee: \$135 + 5.95% registration fee
Time: 9:00a-12:00p
Ages: 5-6 yr olds
Code: PWT116

Session 1: Engineering FUNDamentals (ages 7-12)

Apply real-world concepts in physics, engineering, and architecture with projects such as arch bridges, skyscrapers, motorized cars, and the Battle Track! Design and build as never before, and explore your craziest ideas in a supportive environment. A Play-Well instructor will challenge new and returning students to engineer at the next level.

Location: Seaman's Lodge
Dates: June 27 - July 1
Fee: \$135 + 5.95% registration fee
Time: 1:00-4:00pm
Ages: 7-12 yr olds
Code: PWT216

Session 2: Jedi Engineering (ages 5-7)

The Force Awakens in this engineering camp for young Jedi! Explore engineering principles by designing and building projects such as LEGO® X-Wings, R2 Units, Energy Catapults, Defense Turrets, and Settlements from a galaxy far, far away. Create motorized and architectural projects with imagination and engineering to defeat the Empire!

Location: Seaman's Lodge
Dates: August 1-5
Fee: \$135 + 5.95% registration fee
Time: 9:00a-12:00p
Ages: 5-7 yr olds
Code: PWT316

Session 2: Jedi Master Engineering (ages 7-12)

The Force Awakens in this advanced engineering camp for young Jedi! Discover key engineering concepts such as gear trains, worm drives, pneumatics, and eccentric motion. Build LEGO X-Wings, AT-AT walkers, Pod Racers, and other complex machines and structures from a galaxy far, far away.

Location: Seaman's Lodge
Dates: August 1-5
Fee: \$135 + 5.95% registration fee
Time: 1:00 - 4:00p
